Its That Time of Year

It's that time of the year
for the red white and blue
They stand for freedom
in all you say and do

Show off those colors
for all the world to see
Fly them proudly over
the air the land and sea

We celebrate the birth
of our blessed country
It surely is indeed
the land of the free

HAPPY FOURTH OF JULY!!

CAMP HERITAGE

Camp Heritage is our summer program developed for school aged students to provide a fun and educational summer.

They will have class time everyday before and after they go on field trips! Some of the field trips include visits to science museums, art museums, history museums, the local planetarium, and much more!

Don't miss out on this once in a lifetime program! Hurry and save your spot today, because spaces are filling up Fast!

Feel free to speak with Ms. Megan if you would like any further details.
